Framework for reopening schools

Dear Parent/Carer,

I hope you and your families are well and are continuing to cope through these challenging times. The thoughts of all staff at Garnetbank primary are with you as we continue to focus on the health, well-being and learning of our children.

On the 21st May, the First Minister published a framework for the reopening of schools. I am sure you will have many questions regarding this. The most important aspect will be the safety of your child.

There is an excellent resource at the link below. This outlines the current position and provides a very comprehensive 'Frequently Asked Questions' section.

https://www.parentclub.scot/articles/reopening-schools

We continue to share learning activities via Twitter, our website and Google classrooms. Please contact us if you need help getting onto Google classrooms as it will be the main vehicle for us to support children's learning at home. Teachers are available on Google classrooms everyday and can receive work and provide feedback.

Please bear with us as we continue to navigate our way through this time. We will keep you updated with information as the situation progresses and we have details for August.

Best wishes to you and your family.
Linda Reed
