Dear Sir/ Madam,

Please find enclosed a cheque for £126 for the Fairtrade Foundation.

During Fairtrade Fortnight our school took part in lessons, assemblies and workshops to learn more about the Fairtrade initiative and how it helps children all around the world enjoy their important rights of education, healthcare and play.

Use an Atlas to locate the countries of origin of the listed Fairtrade products.

During the second week of Fairtrade Fortnight every class in our school also visited Glasgow Caledonian University to enjoy a Fairtrade breakfast and learn more about healthy eating and the benefits of Fairtrade.

Primary 7 recently discovered it costs £150 for a farmer and their family to join the Fairtrade initiative. Our Rights Respecting Schools steering group decided it would like to try to raise this amount of money and donate it to the Fairtrade Foundation.

We raffled two baskets of delicious Fairtrade products kindly donated by our local Tesco and Co-operative supermarkets. At the end of the fortnight we were delighted to have raised a grand total of £126.

Please accept this with our best wishes.

Yours faithfully,
