<p>Create your own challenge! <input type="checkbox"/></p> <p></p>	<p><u>Vocabulary - WORD AWARE</u> Collect new words from your books at home. Find out their meanings, practise spelling them and create symbols to illustrate them.</p>	<p><u>Expressive Arts</u> <input type="checkbox"/> Create a song, dance or play to entertain your family. Can you make a musical instrument from materials around your home? <input type="checkbox"/></p>	<p><u>Numeracy</u> <input type="checkbox"/> Explore your Glasgow Counts Home Learning Wall and Homework Grids for possible numeracy activities. Try to complete at least one activity each day.</p>

- During your time away from school, try to complete a mix of activities from the grid above each day.
- You can share any of your completed activities on our school Twitter feed @GarnetbankPS
- Many formerly 'pay to use' educational websites are offering free trials to support school closures. Useful websites with additional home learning activities and resources will be shared via our Twitter feed and on the school's Xpressions App.
- We look forward to seeing your creations when school returns
