Who was at our meeting today?

During our meeting today we.....

- Identified a wide selection of Children's Rights being enjoyed using UNICEF street scene poster.
- Explored a selection of children's rights using the 'Diamond 9' ranking system. We understand all Children's Rights are equally important but to help us 'zoom in' on some focus Articles for our initial RRSA year we considered which were the most relevant to us, our classes and our school at the moment.
- Began to pick out focus articles for each class to explore during the school year - each class rep brought along details of their class topics for the year ahead to help us make meaningful links.
- Thought of ways we could promote children's rights around school as part of UNICEF 'Outright' campaign. Decided on creating crafty bunting - embroidering Children's Rights onto fabric bunting and decorating with buttons.
